Sir

You will, by the first steamer, proceed to New San Diego Cal. for the purpose of making a careful examination of the Subsistence Stores and property at that station, observing the condition of the stores; the security and kind of storage; and its adaptation to their preservation.

You will inform yourself if there be any un-supplied wants of the Subsistence Department at that station. On your return from San Diego, you will also make the same investigations at New San Pedro; and on returning to this city, you will please render to this office a detailed report of your inspections at the above named places.

Very Respectfully
Your obedt. Servt.
