Stam. Dec. Feb 2. 1866.

In regard to the letters of  
Mr. & Mrs. Whaley. I have  
had a few explanations  
to make, not for the  
former for he knows, all  
that I shall say.

Mrs. Whaley borrow-  
ed all of the ordinary  
claim to the property refer-  
ed to, when she allowed  
it to be mortgaged that  
the money, the proceeds of  
the mortgage, should go into  
his hands and business,  
he her husband always  
acting with regard to the  
property as his own - but  
coolly refusing to pay

in the part of Mr. Whaley, it was agreed  
to by him, ~~Myself~~ and Mr. Martin  
was ordered to make up the program for  
in the part time, with the expense of some  
showing conducted to advance the money on  
My guarantee, I left the city - wheat was  
My promise soon after wanted to be advised  
that Mr. Whaley had backed a guarantee  
of his agreement, and that he was making  
preparations to buy and come with the  
purpose of procuring as much the wheat  
Myself, I, Mr. Miller & my wife - I  
had no work but with much in common  
price & trouble was compelled to give  
inter cost \$11.00 D. - I got a friend to ask  
since the morning at 1/4 of the wheat  
made out at my cost.

the  $\frac{1}{3}$  of the interest money  
on the original purchase  
because "he would not  
take it out of his busi-  
ness"; admitting at the  
same time that his friend  
who had advanced him  
\$ 5000 on a second mort-  
gage would promptly do  
so if he knew the inter-  
est was due. and this  
he still refused to do  
after he was advised  
that it would bring all  
parties concerned into  
most serious difficulty,  
& that Jones would  
foreclose his mortgage -  
after the interest for three  
months became three times  
and unpaid - Jones as  
by the terms of the mort-

gaze was entitled to the  
<sup>whole</sup> principle - in the est. and  
- exacted, and reduced said.  
... to prevent like difficulty  
as in the future, and to meet  
the demands of Jones and  
to prevent the heavy costs that  
would follow the death of  
Jones. We agreed to divide  
the property, and that each  
should provide for his share  
of the amt. due to Jones -  
an agreement was arranged  
between Mr. Stov and Mr.  
Whaley <sup>accepting</sup> by which to allow  
Mr. Ore a real estate  
broker of excellent reputa-  
tion and judgment to  
divide the property he  
did not know any  
of the parties who were  
interested in it. The  
division was made, and  
after much carping in

5.

Mr Whaley, as he knows,  
and as he admitted to  
me, has got the full  
value out of the property.  
The whole difficulty and  
loss will fall upon his  
friends, who through  
a friendly notice for him  
Mr Whaley advanced  
\$ 5,000, subject to the  
1st mort, and of some of  
11,000 and interest. And  
which with the costs al-  
ready accrued cannot  
be realized by Mr. Wha-  
ley's friends out of the  
property -

I deny that there was  
or is any unfairness in  
the division - The sugan

refusing were and are  
 ready to purchase the  
 part agreed to be taken  
 by Mr. Whaley, and  
 only await the settle-  
 ment of the title.

I do not see any  
 advantage in the division of  
 the property, and would  
 not permit such a thing -  
 I have not had anything to  
 do with the partition it was  
 left to a disinterested person  
 who is universally admitted  
 to be most competent, but  
 I did and do see and in-  
 sist upon a division of  
 interests in the property that  
 each may act independent  
 of the other, and that in fu-  
 ture I shall not be com-  
 pelled to act with and  
 suffer from the neglect  
 of a man, who has caused  
 so much difficulty & loss.

Messrs. De Blois & Co

Dear Sirs

Yours

by Mr. Storer came to hand  
but I had no time to reply  
by steamer - As I said in  
a former letter to you I will  
do all I can to help you  
and also San Diego where  
I consider myself a picture  
but I think that prospects  
are very bright - In  
the first place Panning has  
not only got the N. S.  
N. Co. all right, but he  
better holds the officers great

and small, and does just  
as he likes - He said to a gen  
tlemen a short time ago that  
he would not even make a bid  
for San Diego county - What  
is needed in the County to make  
it go ahead and be properly  
developed, is a rich energetic  
man or perhaps it would be  
better to say men - No <sup>or</sup> much  
capital is needed to open the  
new road to the Colorado and  
once opened it does not look  
as if it would be a very dif  
ficult task to get Government  
contracts to carry freight &c

No one in this country has  
the means who is willing to in  
vest in any such enterprise.

Capt Melox is able I sup.

pose but he has too much bus-  
iness on the Colorado and per-  
haps too much interest to take  
hold of the matter - I don't  
think there is a man in San  
Diego unless perhaps Mr. Stone  
who would put in one hun-  
dred dollars towards making  
the wagon road to Fort Yuma

I hope you will be able  
to keep your line running  
even if you don't make much  
It is a satisfaction to have  
a line of vessels running here  
any way - I have no con-  
fidence in any great undertak-  
ing in Lower California  
I have seen so many failures  
during the last eight years  
that I have very little con-

sedition for anything that  
is said on the subject of mummies  
in this vicinity - I spent  
a good deal of time and money  
but have not yet seen any  
fixed class specimens of mummies  
at (according to my idea) - All  
the time some Indian or Greaser  
is coming into town with  
a lot of specimens but they  
amount to nothing - Please write  
me if I can do any thing for  
you and I will do so with  
pleasure - The clerk of the bank  
would not give me a receipt  
for the 3 packages of sheep skins  
& 2 bales of wool but  
said it would be all right

My folks are well and  
send them regards  
Truly yours

The Whaley Esq

Dear Sir -

I have just the time to acknowledge yours of May 10<sup>th</sup> and to say that the \$500 is as last disposed of - at some future time a history of the trouble I have had in selling it will be interesting to you. It has been an up hill work and all on top of John Henry this shop not let. You will find around tax bills evidence which will show you that John has not settled for them I had to allow for in the large bill so as to have the matter settled as you will observe it is for Henry & Co. - the same fact is shown. If you can get anything out of him all right - the lot I sold you \$850.00 -

Paid to Chas Hugg & Co \$800.65

- Tax Bill 33.86

" " 118.9

Advancing to them 260 \$850.00

I telegraphed you two messages yesterday one signed by Chas Hugg and another signed by

one -

You have no idea what sections have been made to sell this lot or in buying the part who brought up to time - as it is you get a firm price for it located as it is next to when they are used. Had your money been paid on a lot as the terms require else than made to follow you might have realized handsomely - I am sorry it has turned out thus. The only person from whom I could get an offer was the one who bought John's Home & lot and he only offered \$800.00 he had some of his things on the lot bought for John - and as I had your form of city - I wrote him a note that he must surely realize the lot this he offered to buy I offered to sell for \$900.00 and he took both \$880.00 to clear up he could get the funds -

You must excuse this scrawl - there are three persons talking to me while I write - all would love to see you

Another consideration of Telegraph Companies - we have sold out to the Western Union Co - don't know whether they will want me or not - if not I may be in Chicago in less than

a few - In haste  
Affects you
