Thomas Whaley Esq.

Dear Sir.

I am in receipt of your letter of the 20, and am very glad you did not send me the railing, for I was led to believe that a good strong one could be had for eighty or a hundred dollars. However, if you had sent it, it would have been all right. But now, I will put up a wooden railing. I am sorry to have put you to so much trouble. Give my kindest regards to Mrs. Whaley.

Yours very respectfully

Dear Sir,

I received my discharge as  
I should like at this Depot the 1st of  
the month, to take effect the 15th inst, which  
fact Mr. Montague was kind enough to tel-  
eograph to you. I was very much surprised  
indeed after receiving the assurance which  
I did, that I would be retained, but I  
suppose that I may thank Mr. Sawyer for  
the influence which he exercised over Capt.  
Sawyer as being the primary cause of it.  
I intended to make the effort if possible  
to be reinstated, and had taken the steps  
to do so, thinking it possible Capt. Sawyer  
might be induced to revoke his order, but  
this course I have abandoned as hopeless  
he having a friend to put in place. It is  
rather a rough set back to me, which I  
feel more particularly, having declared your  
offer to go to Sitka. It quickly reached  
along presented me, but had I known that  
there was no alternative I would certainly

have a certificate of your office - I believe you, I want you  
Genl: Allen who regrets my removal ~~for~~ they  
desist and would do anything in his power to  
have me reinstated. Most of his friends a pre-mi-  
ary order, <sup>encourages me with the</sup> ~~hope~~ <sup>very</sup> ~~order~~, ~~thinks it quite likely~~ that you may  
be able to do something for me, if not ~~at~~ ~~St. Louis~~
