Mr. Thomas Whaley

Dear Sir,

I received yours of 11th. also the \$160. therein mentioned. - I called on Fargo Co, and paid them \$6. - or rather I sent my young man, and the receipt not being satisfactory, I called upon them myself. They said that you had a Bill of a considerable amount and could not give me a receipt in full as balance of Bill. - O say he don't understand it, so I could do no more than leave. - Mr. Whaley will be with you by this Steam, I write this at the first leisure moment for fear I should not have a leisure moment when the Steam leaves. Wishing you every success I remain

Yours very truly, Thomas Day.

San Francisco Nov 11/68.
Mr. Thomas Whaley.

Dear Sir, I received yours of the 3rd
with \$260. by Express, and herewith
enclose your Note for \$250. - Your wife
sent for \$10. - and when I met her
yesterday she offered to pay me, but I
told her you had sent me the amount
she however thought you could not
have received her letter containing the
information. I am glad you are
likely to do well. I should judge
a number of persons are coming out. - I
sent to the Chan yesterday for a sheep
a pump for Mr. Geo. Hyde, and found
a long string of over 60 Deay loads, sent
again with no better success. - Requested
the Deayman to be there at 5 A. M. and
he succeeded in getting it on board. - I think
you may consider yourself fortunate in
'having' such a man as Geo. Hyde come
among you - He is an honorable upright

man, and such a mild kind dis-
position. — If you can get well
established there, as the place commences
a new growth, you can of course
do better than you could here, as
by being among the first, and keeping
a good stock, your name will
become established. After our
last great earthquake we feel a
little insecure, which it will take
a 1st mo. to remove. — No doubt
a great many timid and untamed
persons will be glad to remove from
here to a country where they feel safe.
My Son got married to a very nice
person, an excellent disposition of a
highly respectable family, and I hope
will soon settle down to breeding. —
I saw your wife and Son, who both
look well, and show no marks of fright
from the earthquake in the countenance,
as both appear to be improving. —

I have not time to write a long letter
as we are very busy, this being our
busiest month in the year.

With kind respects

Yours, very truly
Thomas Day.

My wife & daughter join with me in
saying the best wishes for your future
wellness. Both have been seaward
about this time of the Equinox.
The weather is splendid now.

Dear Whaley,

In accordance with your
letter I have obtained goods for you
in return for which would suffice
your pending money up as fast
as you get it in - This
will establish a good credit for
you & be much better than waiting
until you accumulate a large
amount - As the house of
McGee, Loughran & Tobin &
Reynolds have sent the goods
solely on my representations
I have above request to urge
as kindness on your part would
entail trouble on other friends
whom I have been the means
of pushing gradually along -
In addition to endorsing ~~your~~
my promises to them shall be
of good use to you - Once you

credit is fully established before
on first bill it will be smooth
sailing with you —

I trust you have not
pushed your credit with the
other houses mentioned by
you as all bills maturing
at same time will inevitably
become a strain on you.

If they are particular
friends it is all well — then
use them on ground that others
who do not as yet know
you must learn that you
will fulfil obligations incurred.
Above all do not attempt
to carry too large a stock
on too little capital for
this is the bane of too
many honest men whose
wisdom get the better of their
prudence —

As a closing to my lecture
(which excuse) follow my

3

advice given above throughout
I feel satisfied that your
future will be prosperous.

Write me often & let
me hear your progress —

I have been too busy
to again call on Mr. Whaley.
Excuse haste —

All my family well

Your sincere friend

Mr. The Whaley Nov 15 1868

San Diego, Calif

Dear Sir, I was glad to receive your note of 21 inst. & to hear of your prosperity.

The reference of our cartoon to the "blue boys" of the fall court, may have been as erroneous as the critic says, but I think it was innocently or honestly so.

I have sent the criticisms to the author of the cartoon, & perhaps there may be a position in our next vol. — There could have been no notice to mis-state the case. — We should be very glad to know that our magazine finds favor in your region. We aim to make it universally useful as well as interesting. I shall be glad to hear from you at any time.

Yours truly,
J. P. Putnam

PUTNAM'S MAGAZINE

TO CONTRIBUTORS.

Articles on all subjects of LIVE INTEREST, from writers known or unknown, short rather than long, terse and clear and crisp in style, are wanted.

New and significant facts and experiences are better than mere disquisitions and essays. Such, to be used, must be VERY well done.

Good short stories and poems are warmly welcomed.

All articles will be promptly examined and reported on, and if not used, returned on the receipt of the necessary stamps.

The best way to prepare manuscript is to write on SMALL NOTE PAPER (not on foolscap), and to mail it in a flat package rather than a roll. [See MAGAZINE for April, p. 519.]

There must often be long delay in using an accepted MS., and changes in the course of events occasionally prevent the use of a MS. even after its acceptance. Such cases require a just indulgence from the authors.

The publisher's statement that a theme proposed to him would furnish, if properly treated, a good article for the Magazine, is not a pledge to accept the article prepared in consequence, even if further alterations should be made by the author.

Mr. Malley Esq

Your letter of Nov 22
together with enclosed order
and letter to Mr. Ols came
to hand in due course,
I examined the order
and could only find that
one of the Japan was all
be covered full of the order,
I asked Mr. Ols about it,
he said that we could
not do that kind of
Business, as it would
interfere with our trade with Japan
here. We having no Country

trade, I took the order to
Messrs Dickinson & Dodge,
who declined to fill it,
without the coin,

Please give my kind regards
to family if they have
arrived with you.

Hoping you will make a
"big pile" in a short time,

I am yours truly —

Geo Reed

Enclosed please find bill of goods sent forward on the "Hammam" invoice ordered through Messrs. Fargo & Co. We have filled your order with the best of goods and at the very lowest possible prices on 60 days time. We have to buy sugars and many other goods for Cash and we cannot afford to give longer time than 60 days. So we will confidently expect a check for the amount of bill to us in 60 days. Sugars have advanced since yesterday and had we billed your goods to day, we would have charged you from 3/4 to one cent higher on Crushed Sugars. We have sold you the bill on the representation of Messrs. Fargo & Co. not knowing you ourselves. We have confidence in you and hope our business relations will continue and be of mutual benefit.

With regards we are

Dear Sir
Your favors of the
2nd + 22nd Nov recd. In reply would
say we must decline your order
for the reason we can not give you
the time you want. Goods here
as near cash as can be, every bill
of sugar we have to pay cash for -
All our customers over the Sierra
Avalanche Mountain are delayed
getting their goods and must
necessarily be slow we have to
carry them and our finances are
a good deal strained -

As you requested Hargo took
your order to Jones & Co - some
things have shipped - wishing you
every success and

Yours truly
W. H. Dickinson Dodge

I.S. your Bill for Freight is made
ans. 11.7c which includes Litings &
covers the Schooner Stump #11c

Dear Sir

Your letter of 2^d & 22^d came to
hands just in time to ship your goods
on the Schooner "Humboldt Lucise" we
fill your order for produce with the
exception of Onions - we have not
been able to find any "small white
onions" and as all kinds of onions are
very high (say from 4 to 5) we do not ship
you any - Oregon onions are coming
in and if you wish them we will
ship you some - The Onions are
from Sunny Bay &c & we enclose
this bill - The Potatoes are genuine
Humbolds and the best of a large cargo -
(your care be on them) - The Schooner
has her Cargo Books and you had
better examine your measurements
if you find any error the Captain
will correct your or any other bill

Dear Sir,
I have had the pleasure of receiving
your letter of the 10th inst. and in reply
to inform you that the same has been
forwarded to the proper authorities
to be considered. I am sorry to hear
that you have had to quit your
employment on the 10th inst. and
all danger of your being
re-called to your former position
is now at an end. I am glad to hear
that you are now in the city
and hope you will find it
at least as profitable as your former
employment. I am, Sir, very
truly yours,
J. H. Murphy

I have your letter
and I am glad to hear of your

to know when you will
write a paper in which you
will give the amount of the
work done but a note from
you will do very well - a thing
which will be decided to a
great extent.

Let me hear
from you occasionally.
Your paper arrives about
twice a month - it is
very interesting.

Excuse any apparent
digression, but I have
been writing a very long
letter.

well -

I am kind regards to

Dear Sir: -

Enclosed please
find Invoice of goods shipped you on the
3rd inst, as per order, given by Messrs.
Dickinson & Dodge. Hoping the same
will please you,

Yours truly,

B. C. Horn & Co.

Dear Bob

Dear Thales

Enc. of \$ is read with five hundred Dollars which I have applied as follows as per their receipts:

4 Rosenberg Co	215.
Walter Dumbart Co	324.50
	<hr/>
	\$ 539.50

leaving you in my individual debt \$39⁵⁰ which I advanced you in order to get full discount & pay these parties in full -

By sending me the money on all purchases through me I can make better arrangements than you until you get your credit fully established as I should apply anything you lend as I deemed most to your advantage & can make Murphy, Hunt & Co & Loughran wait longer than Tobin

without detriment to you.

My action in distributing
the \$500 has established you
so far very well with parties who
are p^d in full —

Should you want any more
goods send your memorandum
but put different kinds of goods
together as near as possible
to save me time in assisting
order I

I will again urge you to
keep remitting as fast as possible
to thus fully establish yourself
here as a prompt business man
which will certainly redound in
multitudinous benefits to you

Advise me ^{if} from time
to time

Yours in haste
