Fellow Citizens of San Francisco

We are at an Epoch of our Country's history when it becomes  
us as men wishing to support the eternal principles of Freedom to  
pause for a moment and consider the situation we are placed in  
in the light of reason. Guided by the light of instruction and not as  
Cresced headlong by party prejudice or ill feelings. With these sentiments  
in view let us ask ourselves (What is the grand question which seems to weigh  
upon the public mind at the present stage of our Government's late  
transpired in our City, see a yawning Gulf, <sup>in</sup> ~~suppl~~ <sup>ing</sup> ~~Car~~ <sup>its</sup> ~~edge~~  
are the institutions of Non-Resistant Empire whose motto is  
~~no longer~~ ~~our~~ ~~only~~ ~~support~~ ~~their~~ ~~Crumbling~~ ~~Institutions~~, half  
cray down ~~the~~ ~~great~~ ~~Abuses~~ ~~are~~ ~~the~~ ~~Empires~~ ~~whose~~ ~~way~~ ~~have~~  
Structure passed from the stage of action and like a falling  
man are grasping at each loosening Post & Branch as  
they speed downward, further down are those whose dominion  
have fallen previously while at the Bottom <sup>are</sup> ~~are~~ ~~in~~ ~~the~~ ~~air~~  
destructive Institutions long since passed away Nations  
& Empires whose names alone are recorded in history <sup>as</sup> ~~as~~  
Lesson for future ages to Profit by. Anarchy & Tyranny  
Persecution & Slavery not all the pride of darkness & ignorance in  
one Mass of Desolate destruction lie at the Bottom. ~~is~~  
We are at the Brink of such a Precipice and ere another Crisis will  
have come ~~we~~ ~~will~~ ~~be~~ ~~dashed~~ ~~into~~ ~~the~~ ~~Proin~~ ~~of~~ ~~destruction~~ ~~to~~ ~~add~~ ~~to~~ ~~the~~  
Number of those that have preceded. ~~is~~ ~~this~~ ~~to~~ ~~be~~ ~~the~~ ~~fate~~ ~~of~~ ~~those~~  
Institutions handed down to us by our forefathers the Sinner  
of which has been sealed by their blood. Shall we stand by unconf

ceded and under the hand of the Innovator as he desperately  
Amisthe blow at the ~~very~~ Shrine of Institutional Wisdom? Tho  
While we are safe from the Attacks of the Enemy from without let us  
provide against the Enemy from within the Cancer which has been  
growing in the heart of our Society and blighting its fair prospects &  
withering its hopes let us adopt such Measures as will permanently  
remove and forever banish from our system the cause of all our  
Sufferings and the Effect will be ~~great~~ But how are we to effect  
this, is it by annulling Institutions which have been long estab-  
lished & efficient or is it by supporting them. Shall we in one  
blow strike at the root of all Institutions and build up new ones or  
shall we to support the Old ones as to make them efficient.

We know that Society has suffered much from the degradation  
of the Most Proligate Pra know that it has ~~suffered~~ <sup>been</sup> ~~long~~ <sup>long</sup> ~~till~~ <sup>till</sup> forbearance  
has ceased to be a duty. That Authority has been ~~long~~ <sup>long</sup> ~~in~~ <sup>in</sup> ~~the~~ <sup>the</sup> exercise  
of its duties, but what <sup>task would have</sup> ~~has~~ <sup>remained</sup> that can warrant the sub-  
-version of all Authority, has its Cup been drained to the dregs, has any  
stone been turned to incite the ~~Author~~ <sup>Author</sup> ~~to~~ <sup>to</sup> ~~act~~ <sup>act</sup>. Let not the  
petty Ambition, the seed of future tyranny involve our Country in destruction  
and lead ~~the~~ <sup>its</sup> ~~bones~~ <sup>bones</sup> ~~head~~ <sup>head</sup> ~~long~~ <sup>long</sup> ~~with~~ <sup>with</sup> ~~the~~ <sup>the</sup> ~~Path~~ <sup>Path</sup> ~~of~~ <sup>of</sup> ~~Hum~~ <sup>Hum</sup> ~~let~~ <sup>let</sup> ~~us~~ <sup>us</sup> ~~in~~ <sup>in</sup> ~~it~~ <sup>it</sup> ~~feed~~ <sup>feed</sup> ~~and~~ <sup>and</sup>  
fatten let us rather calmly discuss those matters which demand our  
immediate & decisive Action as Pra. Worthy of the name of free men  
Can we ~~afford~~ <sup>afford</sup> ~~any~~ <sup>any</sup> ~~thing~~ <sup>thing</sup>. Cannot Measures be taken to Compell  
the Authorities to Act. If they know not their duty let them be instructed  
and then if they neglect it let them be Compelled to do it. When this seems  
fair, then and not till then would the people be authorized to  
usurp that Authority which they have entrusted into the  
hands of officials

It is contrary to all the Principles of Republicanism  
to institute Inquisitorial Secrecy and forbear to such  
principles to and would be admissable in no possible event of  
Contingency. - Since all ~~things~~ <sup>actions</sup> is supposed to be governed by  
the Popular Vote the moment a principle would become Popular  
it must of necessity lose ~~any~~ <sup>all</sup> Character of Secrecy, Who I ask would  
Consent to be governed by laws which were unknown to him. It maybe  
argued that this Inquisitorial Institution is intended to strike  
Blow at Vice & Infamy & none need fear but the ~~culpable~~ <sup>guilty</sup>  
Such may be the case but what constitutes guilt the <sup>violation</sup> ~~the~~ violation of  
the Rules of an Institution & how can those Rules be violated when  
they are actually unknown & kept secret looking at it in this view  
it must be admitted that such an Institution must either be
