May 1. John Cain down. Lewis
Deady - has not seen Ridgway
yet about testimony given by
his associate brother - to
withdraw it as submitted
Cross examination. John
went to Henry's house. Said
this Maquins with to corner
5th St on Central av. the
Murphy lot mortgaged for
\$1000 is worth down on the
corner, 25 x 72. Streets have
been filed in - all 500 - as
pay for annuity - 7 1/2 int.
Says lot would not sell for
more than \$1000 at a sale.
That Mr. Vanekey, brother
in law of Murphy is of
est. living on 7th St -

wooden house next to church
going from Central av. might
find him in Stone house
There also to house - moral
house, said a woman Mrs. Boyer
sister of Murphy - said she was
expecting of wife of Murphy she
knew them unmarried. That Mur-
phy owned lot cor 5th & Central
house & lot on 7th St when she
arrived with her husband Boyer,
Mr. Mackey & 2 children of Mur-
phy - that all property, including
interest in Stone house (3 or 4)
was mortgaged - that she had sold
the house & lot recently - that Stone
& yard & other had been foreclosed
and was now advertised for
sale - that there was a lot of

of the car both Central Air
and 2 yrs out \$140.00
Mitge to the - all of which
she was unable to pay
that if we foreclose she would
make no sense to her that
she had tried to sell 2700
61500. Had her better to see
that what little she does get
above the amt. we need becom
gain to her. She asked if the
might have made do -
had her possible to see
but that she had a member
Riker - said she would
Wednesday. Harwell
says that the Kelley is
guardian of children

In evening went to Mary's property
helped her to pack things - her
husband gone to Phisay & she is
going with children to Spring
Valley by Spring Mountain. Hope
jud them all night.

May 2 - got Mary & children
off by the cars - at 9:30
John at Eric Home - Harwell
going to see mother.

Deeds writing for young Jim 12 to
3 - Tom and Harwell at the
Conrad's Office by way -

He said that John D. Gannon,
owing \$5000 mtge, died an alien
without will. That John Harwell
a nephew who had possession of
the property corner Converse and
3 10th St was also an alien

that he had administered up
on the property. That Gamm
had a mother living in Ireland,
a non resident alien -

That he also had a brother in law
John McCue living out West
who died, his wife was dead,
being dead, leaving children
that the property, the thing
belonged to them - that

Mr. Pomeroy who had a claim
of \$40 against Est. Gamm
had written some one
concerning these children,
and would have about them
soon, that it was ^{Princess} Prin-
ceton's administrator, Thomas
Hobart out. That when he
had more he would

be known by sending a

note to each of the young -

About the claim we have got
Mr. Harrell in. Since after the
12th he would examine the
papers to assist him, he said
he might accept of my offer and
would inform me.

In coming out to Gibbs
found them the missing letter from
Anna dated 6th April in an-
swer to mine from Los Angeles, en-
closing our own Chalmers letter
concerning the Ruggles papers.
This letter was read by Gibbs the 7
April, having been directed to
them care instead of Puffin-
blow's care! I have my papers
which I lost Easter Sunday.

May 3. At Pikes, gave ~~some~~ ^{some} information I had concerning Ken
an & Murphy -

Said that Tom Maguire had
called yesterday ^{with} said he
thought he might see the Mur-
phy property for \$1000 and
pay us - this being better than
to foreclose whereby we might
not get anything. He gave
him a month to try to sell.

Saw Goodrich, he would
not see me if already had
seen Ridgway. From to call
again. He said he would
push matters to get the
order to see as soon as
possible. Got from him
the 'Power of Attorney' sent

by Anna and me to Dr. ~~him~~
from 1 to 4 working for
Young, giving up Willson's

a letter from from afar -
by Calicut in the ^{year} 1776
I received a letter from home & saw
Mittewit was in some hand,
Over rivers and valleys and prairies wide
It has come to me in this mountain land,
At York's home in the new time,
As thou in each sentence I shall see
The language love's sweet
O'er all its words I see
Of a man - some mile to me
And his half blood name on his lips
The story tells of his tears
A smile and a tear on his face
Evidence of his heart and love,
A pledge of devotion, faith and hope
Said out in all the love and
Noethana was a part of
Since I could read by and on my heart
A part of his heart in sunset land,
When the grandest rivers and mountains are

Mountains and forests and deserts broad,
And oceans as deep as the sky and as wide,
By those hearts that are faithful and loving
Lie,

But they cannot true faith and love divide
Another distance that lies between me and mine,
How long, makes him still more near,
And the thought that they are by my side
Makes them dear, a hundred fold more dear
In words and in the summer air,
My loved and my love I do not see,
But their presence is with me in every word
Of the welcome letters they send to me
Within the home, the morning toils,
For he loved one day by day,
Yet we know by the light of his eyes,
She has work at a pleasant way,
She gives her all - youth, health, strength,
For the good of her self and home,
Yet night and day, in every word,
As the proverb says, her household joys
Of the love at home,
The love at home,
The fair traveler's home and sweetest ground,
If there's only love at home!

And they are rich, without silver or gold,
 Who are best by love at home;
 Who have learnt to enjoy, with thankful hearts,
 Life's blessings as they come;
 Who see wealth in good memories,
 And whose journey of life is bright,
 By the peace and pleasure of honest toil,
 And the fire which is holy light.
 Oh, the love at home,
 The love at home,
 The best of earth is always theirs,
 Who are best in the love at home!

"I shall be with you,
 My own dear love to thee!
 My own dear love to thee!
 So often dream to me,
 "His many lands, and yonder clime,
 And all the world is mine,
 To find the world and mine."
 To find the world and mine.
