

MABEL ELOISE WHALEY'S LETTER
TO PRESIDENT HARRISON & A
BOUQUET PRESENTED TO MRS
HARRISON

...of the case only.

A Reception Incident.

The account of the letter written by little Mabel Whaley to Mrs. Harrison, in which she informed the wife of the president of having named her pet dog Ben Harrison and to which Mrs. Harrison responded in so prompt and charming a manner, is still fresh in the minds of many. The little girl was on Thursday presented to the president and Mrs. Harrison by Gov. Eli H. Murray. She thanked Mrs. Harrison for her kind letter and also presented her with an exquisite bouquet, which Mrs. Harrison carried during her entire tour through the city.
