

HOLIDAY HINTS

MARSTON'S

Holiday Novelties on the Second Floor

The art needle-work department on the second floor is regularly regarded as headquarters for fancy-work materials. It has full assortments of "Columbia" wools and "Heminway" embroidery silks—each the best of its kind—obtainable in San Diego at this store only. And this year the department has an exceptionally large array of novel and pretty gift articles of various sorts, some of which are mentioned below:

| Bootees | Girls' dresses | Caps |
| Carriage covers | Girls' hats | Hats |

Early Buying is Best

It is wise to make selections early—shopping early in the month, and early in the day. It's better for you, because you choose from fuller assortments; and better for the store workers.
